

Elevate Teams Assessment

1. Record a 1-minute audio introducing yourself using this recorder:

<https://vocaroo.com>

Please attach the link to the file here:

2. You have been tasked with checking the attached image to make sure the paper copy information has been entered into the new system accurately. Compare each item in the list below to see if the version displayed on screen matches what's on paper. Select the option with the ones that are different and **reply here**:

Item Type	Paper	Screen
